

Technical Rider

Le Bang Bang is a duo of voice and acoustic bass.

The band usually brings a bass with bass amp and a vocal mic (Sure Beta 87c).

The band needs:

-Standard PA sound system.
(On request, the band provides the sound system).

- 1 mic line for vocals
- 1 mic Stand
- 1 talking mic w/stand next tot he bass
- 1 line (mono) for bass amp (XLR balanced DI provided)
- 2 monitors (1 monitor is sufficient on small stages)
- 1 electricity with 3 outlets near bass amp
